

Dragonfly Energy Announces Updated Corporate Presentation

September 2, 2025

RENO, Nev., Sept. 02, 2025 (GLOBE NEWSWIRE) -- Dragonfly Energy Holdings Corp. ("Dragonfly Energy" or the "Company") (Nasdaq: DFLI), an industry leader in energy storage and battery technology, today announced that an updated corporate presentation is now available on the Company's investor website.

The updated [corporate presentation](#) provides key insights into the Company's market position, growth strategy, and investment thesis.

"We are energized by the opportunities that lie ahead as we continue to advance on the strong foundation we have built," said Dr. Denis Phares, chief executive officer of Dragonfly Energy. "Dragonfly Energy has delivered more than 400,000 batteries to market, establishing our position as a commercial leader in deep-cycle lithium energy storage. With an expanded footprint across high-growth sectors, underpinned by U.S.-based manufacturing capabilities and differentiated proprietary technologies, we believe we are well-positioned for durable, long-term growth. We are confident in our ability to execute on growth initiatives and further expand into adjacent markets. Our commitment remains focused on delivering advanced energy storage solutions that align with the accelerating demand for reliable and sustainable power worldwide."

About Dragonfly Energy

Dragonfly Energy Holdings Corp. (Nasdaq: DFLI) is a comprehensive lithium battery technology company, specializing in cell manufacturing, battery pack assembly, and full system integration. Through its renowned Battle Born Batteries® brand, Dragonfly Energy has established itself as a frontrunner in the lithium battery industry, with hundreds of thousands of reliable battery packs deployed in the field through top-tier OEMs and a diverse retail customer base. At the forefront of domestic lithium battery cell production, Dragonfly Energy's patented dry electrode manufacturing process can deliver chemistry-agnostic power solutions for a broad spectrum of applications, including energy storage systems, electric vehicles, and consumer electronics. The Company's overarching mission is the future deployment of its proprietary, nonflammable, all-solid-state battery cells.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements include all statements that are not historical statements of fact and statements regarding the Company's intent, belief or expectations, including, but not limited to, statements regarding the Company's guidance for the third quarter of 2025, results of operations and financial position, planned products and services, business strategy and plans, market size and growth opportunities, competitive position and technological and market trends. Some of these forward-looking statements can be identified by the use of forward-looking words, including "may," "should," "expect," "intend," "will," "estimate," "anticipate," "believe," "predict," "plan," "targets," "projects," "could," "would," "continue," "forecast" or the negatives of these terms or variations of them or similar expressions.

These forward-looking statements are subject to risks, uncertainties, and other factors (some of which are beyond the Company's control) which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. Factors that may impact such forward-looking statements include, but are not limited to: improved recovery in the Company's core markets, including the RV market; the Company's ability to successfully increase market penetration into target markets; the Company's ability to penetrate the heavy-duty trucking and other new markets; the growth of the addressable markets that the Company intends to target; the Company's ability to retain members of its senior management team and other key personnel; the Company's ability to maintain relationships with key suppliers including suppliers in China; the Company's ability to maintain relationships with key customers; the Company's ability to protect its patents and other intellectual property; the Company's ability to successfully utilize its patented dry electrode battery manufacturing process and optimize solid state cells as well as to produce commercially viable solid state cells in a timely manner or at all, and to scale to mass production; the Company's ability to timely achieve the anticipated benefits of its licensing arrangement with Stryten Energy LLC; the Company's ability to achieve the anticipated benefits of its customer arrangements with THOR Industries and THOR Industries' affiliated brands (including Keystone RV Company); the Company's ability to maintain the listing of its common stock and public warrants on the Nasdaq Capital Market; the Russian/Ukrainian conflict; the Company's ability to generate revenue from future product sales and its ability to achieve and maintain profitability; and the Company's ability to compete with other manufacturers in the industry and its ability to engage target customers and successfully convert these customers into meaningful orders in the future. These and other risks and uncertainties are described more fully in the sections entitled "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements" in the Company's Annual Report on Form 10-K for the year ended December 31, 2024 to be filed with the SEC and in the Company's subsequent filings with the SEC available at www.sec.gov.

If any of these risks materialize or any of the Company's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that the Company presently does not know or that it currently believes are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. All forward-looking statements contained in this press release speak only as of the date they were made. Except to the extent required by law, the Company undertakes no obligation to update such statements to reflect events that occur or circumstances that exist after the date on which they were made.
