

Dragonfly Energy Partners with Awaken RV to Power Next-Generation Fiberglass Travel Trailers

August 27, 2025

Battle Born Batteries® to serve as the standard lithium power solution in Awaken RV's debut lineup

- *Awaken RV, a brand-new manufacturer founded by industry veteran, Scott Hubble, debuts its first lineup with Battle Born Batteries® as standard equipment*
- *Dragonfly Energy's Battle Born Batteries® continue to be widely adopted by top RV OEMs, growing the Company's share of the RV market*
- *The partnership delivers safe, reliable, and long-lasting lithium power to support modern off-grid RV travel*

RENO, Nev., Aug. 27, 2025 (GLOBE NEWSWIRE) -- [Dragonfly Energy Holdings Corp.](#) (Nasdaq: DFLI) ("Dragonfly Energy" or the "Company"), an industry leader in energy storage and battery technology and maker of Battle Born Batteries®, announces a new partnership with Awaken RV, a recently launched RV manufacturer led by industry veteran, Scott Hubble. Awaken RV's debut line of molded fiberglass trailers include Battle Born® lithium batteries as standard equipment, delivering the safe, reliable, and long-lasting power needed to support extended off-grid adventures.

"From day one, our focus has been on designing RVs that truly reflect how today's customers want to travel," said Scott Hubble, chief executive officer of Awaken RV. "That means modern design, thoughtful amenities, and a power system that keeps up with real-world use. Battle Born Batteries give our customers the dependable energy storage they need to enjoy off-grid living without compromise."

Awaken RV enters the market with a mission to reimagine fiberglass travel trailers. The debut units offer a sleek seamless exterior, large panoramic windows, and innovative interiors that include larger residential-style refrigerators, dry baths, and layouts designed for comfort and usability. By pairing these designs with Dragonfly Energy's lithium technology, Awaken delivers not only aesthetic and functional upgrades, but also the confidence that owners can power their adventures reliably wherever the road takes them.

"Awaken RV is an inspiring new voice in the industry, and we're proud to power their debut lineup," said Wade Seaburg, chief commercial officer of Dragonfly Energy. "Our LiFePO₄ batteries are designed to perform in demanding conditions, making them the perfect fit for customers who expect modern comfort and reliable off-grid capability. Together we're enabling a new standard for adventure-ready fiberglass RVs."

With a base configuration including a Battle Born GC3 lithium battery, expandable options, and solar compatibility, Awaken RV trailers are equipped to meet the growing demand for off-grid flexibility among today's RV owners.

About Dragonfly Energy

Dragonfly Energy Holdings Corp. (Nasdaq: DFLI) is a comprehensive lithium battery technology company, specializing in cell manufacturing, battery pack assembly, and full system integration. Through its renowned Battle Born Batteries® brand, Dragonfly Energy has established itself as a frontrunner in the lithium battery industry, with hundreds of thousands of reliable battery packs deployed in the field through top-tier OEMs and a diverse retail customer base. At the forefront of domestic lithium battery cell production, Dragonfly Energy's patented dry electrode manufacturing process can deliver chemistry-agnostic power solutions for a broad spectrum of applications, including energy storage systems, electric vehicles, and consumer electronics. The Company's overarching mission is the future deployment of its proprietary, nonflammable, all-solid-state battery cells.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements include all statements that are not historical statements of fact and statements regarding the Company's intent, belief, or expectations, including, but not limited to, statements regarding Battle Born Batteries with Dragonfly Intelligence, the Company's future results of operations and financial position, planned products and services, business strategy and plans, market size and growth opportunities, competitive position and technological and market trends. Some of these forward-looking statements can be identified by the use of forward-looking words, including "may," "should," "expect," "intend," "will," "estimate," "anticipate," "believe," "predict," "plan," "targets," "projects," "could," "would," "continue," "forecast" or the negatives of these terms or variations of them or similar expressions.

These forward-looking statements are subject to risks, uncertainties, and other factors (some of which are beyond the Company's control) which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. Such factors include those set forth in the sections entitled "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements" in the Company's Annual Report on Form 10-K for the year ended December 31, 2024, and in the Company's subsequent filings with the SEC available at www.sec.gov. If any of these risks materialize or any of the Company's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that the Company presently does not know or that it currently believes are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. All forward-looking statements contained in this press release speak only as of the date they were made. Except to the extent required by law, the Company undertakes no obligation to update such statements to reflect events that occur or circumstances that exist after the date on which they were made.
